### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art made of record fails to disclose or suggest a charging circuit of a bicycle dynamo having, *inter alia*, a charging element stored charge from the dynamo, a half-wave charging element configured to be charged by the dynamo during the first half cycle, a first charging circuit configured to supply the charge stored in the half-wave charging element to the charging element during a second half cycle and a second charging circuit configured to supply the output to the charging element when the voltage in the half-wave charging element is equal to or less than a prescribed voltage during the second half cycle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to the Examiner at the below-listed number.
